To the Honorable Chrystia Freeland,
Minister of Foreign Affairs:

We call on the Canadian government,
which has a Feminist International
Assistance Policy, to denounce the

Guatemalan state's role in the death of 41
girls in the *Hogar Seguro* fire and to urge
the Public Prosecutor through diplomatic
channels to investigate and prosecute all
those responsible in an effective and timely
manner, so that these injustices don't
remain in impunity. We also call on our
government to undertake advocacy efforts
aimed at urging the Guatemalan state to
protect girls and women throughout the
country.

Sincerely,

Breaking the Silence (BTS)
